Ribbon Cutting-Friday, April 3

Please make plans to join us for the ribbon cutting at Hometown Hardware, on Highway 49 at the old T&T location, on Friday, April 3, at 11:00 a.m. The hardware store, a “do it best” store, will be operated by Lisa Bonds.

Welcome Hometown Hardware!

Madison County Journal Project: Please remember that you may have an ad on the Chamber’s monthly page in the Madison County Journal (fourth Thursday), distributed county-wide, for \$50.00 per ad. Please call the Chamber office, or email, if you would like an ad. There are only six ads on the page per month. People enjoy looking at that color page so it is a good way to get inexpensive exposure.

Let us hear from you! If you have news to share about your business, please contact
